As one travels up the various trails of Westborough High, the styles of clothing alter. The "preppies" are back (as shown by Lisa Puopolo and Pam Carlson, lower right) with their oxford shirts and pleated skirts. Leather jackets can still be seen through the trees. More visible, however, is the newest "wave" of fashion including miniskirts (Ann Gallo and Peggy Hall, lower left), legwarmers, and extremely short-sleeve shirts (Randy Johnson, left center). It is not unusual to see purple hair or metallic fingernails flash by. Baggie pants (or VERY baggie pants, as worn by Mary Beth Foote, right center) are also the style of this year.

The more short-lived fashions include togas (Senior Class, side), PJ's (Lester Horn, far left), and holiday dress-ups.

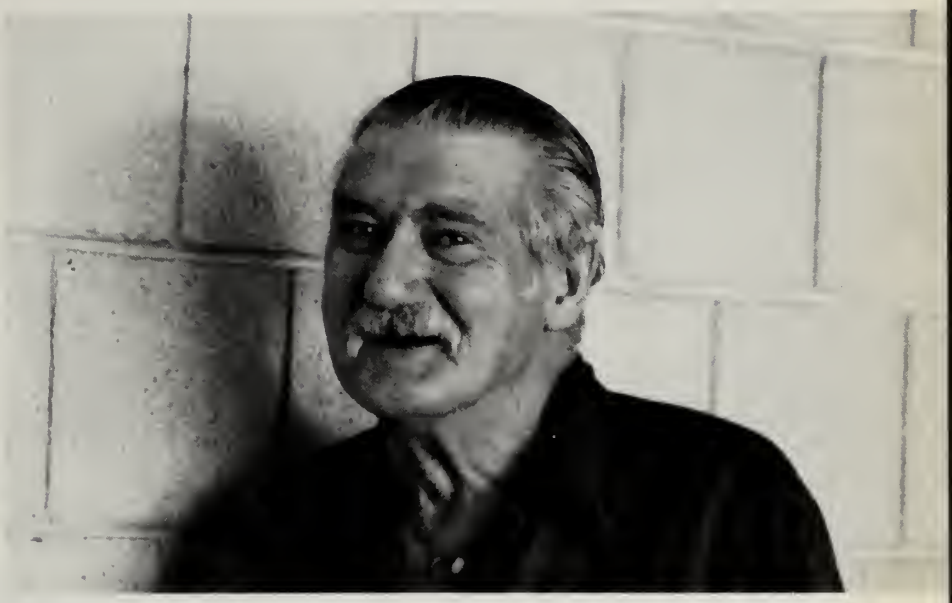
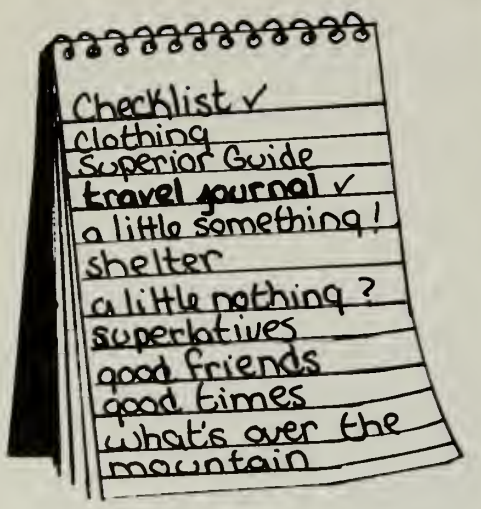
PUBLIC



The greatest need that one can have during the school day is a warm and friendly smile, letting you know that someone cares. The ability to emanate this special thoughtfulness is both admired and uncommon. We have found this exceptional quality in Mr. Robert Todd — better know as "Scottie." Therefore, we, the class of 1983, thankfully dedicate "Upward Bound" to Scottie, whose consideration for our class will be remembered always.



The 1983 Yearbook Staff, in its earliest meetings, began to decide on a theme for our production. How could we even begin the book, though, when we did not feel like a real group? Since one of the possiblities of the theme was The Mountain, someone came up with the brilliant idea of climbing up a mountain to get to know one another better.

With that in mind, a majority of us, including Mr. Kaplan, began the hike up Mt. Monadnock in late May of last year. It was a struggle, and many times we felt like climbing down before we reached the top; but, somehow, we made it up to a ridge with a spectacular view, and decided that the effort had been worth it.

The results of the climb can still be seen today. Not only did it solidify our theme, but it also unified us as a group. We, the editors, thank the entire staff for their struggle throughout our Senior Year towards the successful completion of "Upward Bound."

You're asking me will my love grow.
I don't know, I don't know.
You stick around now, it may show.
I don't know, I don't know.
Something in the way she knows
And all I have to do is think of her,
Something in the things she shows
me.
I don't want to leave her now
You know I believe and how.

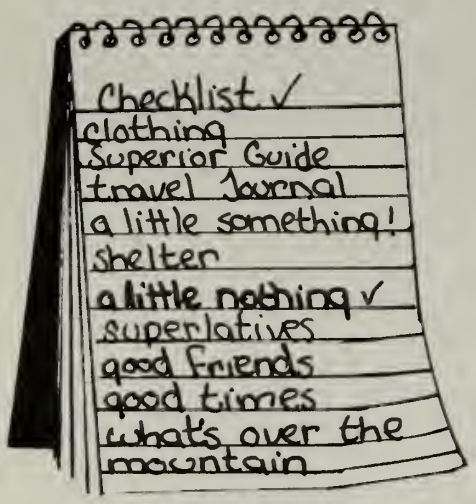
Being Seniors, we know the various places where shelter can be sought. Whether it be the Path, balconies, bathrooms, or the parking lot, there are many ways in which we can literally escape from the classroom. These "hiding places" have been essential in helping us get through the rough times.



The 1982 Junior Talent Show was an uphill battle all the way; but, thanks to our three M.C.'s (Ellen McGee, Sean Murray, and Lester Hensley), the show was run with a minimum of casualties. Although the program was far from accurate, it did present a variety of acts ranging from the first place Dueling Drummers to the "Go-Go's" and their male counterparts. Nonetheless, it was an evening that will go down in the history of the Class of 1983.

1. Chauncy Greenwater Survival
2. Kim Gerard & Terri Cox
3. The Go-Go's (Male)
4. Guitar Solo — C. Caldwell

Our Fearless Leaders

To the Class of 1983:

Four years have passed since the last class from the Seventies entered the High School. Four years of accomplishments, growth, and maturity have been yours. Four years when you participated on athletic teams which were most successful — from many League titles to many District appearances to one State Championship.

Four years! How long they seemed when you were Freshmen, but how rapidly they have flown as we all look back. And yet it is so true that perhaps we should not look back, but should look forward.

Those of us who have known you are better off for the experience, as we shared in your many successes these last four years. Hopefully, success will continue to be yours.

A highlight of your fours years is the Yearbook. This year the advisor and the staff deserve special praise for having turned out a fine edition. A most gloomy financial picture, solved by the infamous juice machine, will long be remembered.

CLASS OF 1983

The doors of opportunity are fewer these days and the requirements for entrants more difficult.

But, lest you forget, fewer and difficult are relative terms that could never discourage our Graduated, "the Class of 1983".

Football

The 1982 Ranger Football Team finished the season with two wins and eight losses. The Ranger's first win came in the sixth game of the season when they defeated previously unbeaten Shepherd Hill 47-22. The final win came against Arch Rival Algonquin on Thanksgiving morning with a score of 26-0.

The team was led by our outstanding Capt., Bill Giblin and Jim Martin. Had Bill and Ken Robinson not been injured, our record could have been better. No matter what the results were though, the people close to our Rangers know that they may have been outmanned in eight games but they were never outclassed.

Boys' X-Country

Finishing 4th in the league, the boy's Cross Country team ended the season with a record of 4-5. Stiff competition, coupled with a tough new course, caused this to be an extremely challenging season. Even so, there were some excellent performances by Jeff Nelson, who was first for Westboro in most of the meets. Following closely behind Jeff was 1982 M.V.P., Bill Carrier, who because of injuries was unable to attend the district competition.

Although the team lost three seniors and Jeff Nelson, there is still high hopes for next fall. Mike Hopkins, who earned a varsity letter in his freshman year has some definite potential. Dave Blasko, 1982's most improved player, along with Dan Rasmus and Tom Bushroe are also looking forward to a competitive 1983 season.

Endurance . . .

Girl's X-Country

The girl's Cross Country season proved to be both challenging and successful. With a new coach and a new demanding course the team finished third in the league and 5-3 overall.

The team's most valuable runner and capt. Chris Foley, along with Chris Healey, placed highest followed closely by Colleen Collins and Jane Lapato.

Lengthy injuries sidelined Dawn Lowell, Maureen Sullivan and Dina Barretti, while persistance and steady improvement helped Diana Hayes and Laura Stone earn varsity letters. The team also participated in district championships with individuals placing in the top five.

Field Hockey

The Field Hockey team was led to a 8-3-3 season by a starting line up of 8 seniors 1 junior, and 2 sophomores. Front liners Ellen Sowa (1982 M.V.P.) and Andrea Habe manned an offensive team that was almost unbeatable, with the help of Sue Breen and Candy Murray. Covering the right side of the field were a foursome of seniors, Stephanie True, Lucy Lowe, Sandy Malone and Faith DeCesare. This group knew how to outsmart the opposing teams defense and knock down their offense. Supporting the center of the field were center half back Heidi Reents and sweeper Mary Moynihan. Goalie Pam Carlson kept the game scores low, while the forward line pushed ahead to victory.

When not playing, substitutes Kari Gavel, Heather Rose, Sue Johnson, and Beth Markert kept up a constant cheer that supported the team as much as anything else. The only disappointment of the season came when the team missed going to districts by one point. Next years players are hopeful that it wont happen again.

Soccer

After a 9-3-3 season the Soccer team entered the Division II, District Tournament, where they finished as runners up to Algonquin in the final. A very successful season was the result of intense teamwork and co-operation between the players and the coach, Curtis Schnare.

This year's team of many talented players, was captained by Troy Cullen, Lester Hensley, and Todd Husband. Although the team lost 14 senior players, there is a strong nucleus of juniors and sophomores left behind that will show Westboro another year of competitive soccer.

Victory . . .

Volleyball

The Volleyball team came out of the season with an 11-2 record, coming in 2nd in the league. A strong starting line-up, consisting of six seniors, with two junior back-ups led the team to success. Team capt. Nancy Henderson and Liz McSweeney gave the team great leadership and all around support. Jen Hackett's serving and outstanding setting by Jackie Nunez and Peg Hall gave the team a strong base. Carol Ringer, 1982 M.V.P., kept them one jump ahead of the others with incredible spiking.

A highlight in the season was defeating Milford, a team Westboro hadn't beaten in 8 years. Due to their excellent record they ended the season in the Central Mass. District competition, placing 2nd in the tournament.

Boys' Gymnastics

1982-1983 was a year of breaking in for the Westboro Boy's Gymnasties team. With only two prior competitors and a first time coaeh, it was a learning experienee indeed.

The team whieh was seraped together at the last minute had a reeord of 1-4 due to their inexperienee. Nevertheless, they started out seoring in the 50's and ended the season stealing 3rd plaee in the Distriet III Championships with a seore of 74. Bill Carrier, the all-around and team eaptain, took 3rd place honors. Bill Martin and Seott Dahn also reeeived plaeement awards.

Marked improvement throughout all the gymnasts will be a definite asset for next year's team. To give strength to an already developing team, they hope for some interested and experieneed freshmen in 1984.

Girl's Gymnastics

The 1983 girl's gymnastics season was both exciting and rewarding in many ways. Seniors Chris Foley and Sandi Malone led the team as co-capts. and high scorers. The team was a harmonious blend of dedicated and hardworking young ladies who learned how important it is to always strive to do one's best. This holds true not only for one's self but for one's influence on others. There were times when the team went through the stress of family illness, teammate injuries and felt the hurt each gymnast feels when she tries so hard to do her best and scores poorly.

Our team score reached 88.8; many personal bests were achieved, many goals were reached. Top floor ex. scores were turned in by Sandy Malone, Cindy Forbush, and Chris Healy. Vaulting bests were by Chris Foley, Steph Hobby, and Sandy Malone. Outstanding beamsters were Sandy Malone, Chris Healy and Chris Foley. Uneven competitors were Steph Hobby, Chris Foley, and Chris Healy. The final team record was 2-7 which did not reflect the degree of success the team had felt.

Milestone . . .

Girl's Basketball

The Westboro Girl's Basketball team has made their mark in the history of Westboro High. This year's team is the 1st to make it to the district tournament.

The team was led by seniors Andrea Habe, Jen Hackett, Carol Ringer, and Ellen Sowa. The growth and development of juniors Colleen Collins, Cindy Johnson, Kris Latvis, Marcia Makowiecki, Caroline Miller, and Chris Mitchell have added a great deal to the success of the team. Sophomore Sue Breen has also gained alot of experience playing varsity ball this year.

Everyone on the team worked hard resulting in positive effects. Using their own specific strengths and abilities, each girl managed to put the good of the team ahead of personal success. They had a super season and deserve all the accolades they get.

Conquest . . .

Hockey

"Every so often a coach looks forward to that rare combination of talent, committment, and maturity that will allow the team to be victorious and the coach to feel a sense of accomplishment. Other teams have had the potential but only this team has the character and desire."

Coach Lynch

The hockey team's 15-2-1 record speaks for itself. Through determination and team work, the Rangers have battled many elements to achieve the best record in Ranger Hockey history. Decisive victories over Algonquin and Hudson (a team they have never beaten), led their way to the Districts. The captains, Todd Husband and Dan Gillis, worked their hardest to keep team spirit going and it payed off. All said, they are quite a "crew."

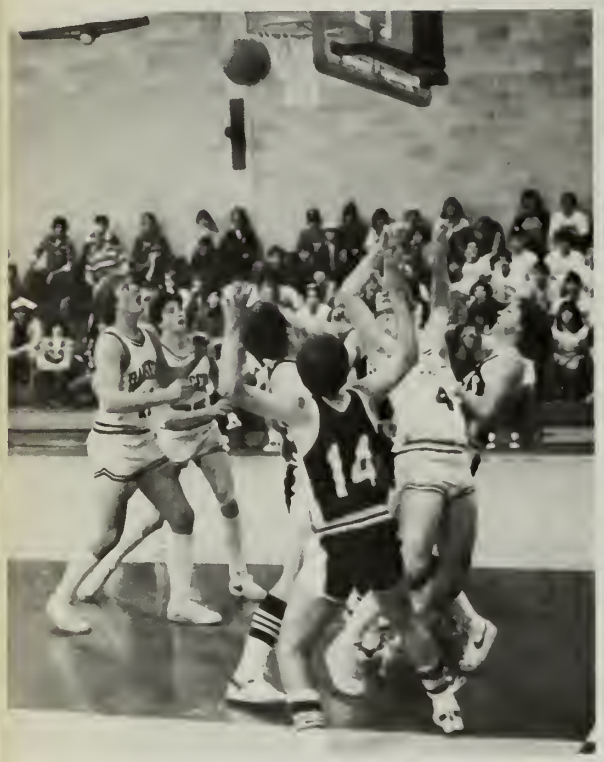
Triumph . . .



Boys' Basketball

The 1982-83 Boy's Basketball team finished off their regular season with a 15-2 record. Led by 3 outstanding seniors — Bill Giblin, Tim McGlinchy, and John Cudmore — the team dribbled their way to a league championship. To avenge their loss to Shrewsbury in their regular season, Westboro came back and defeated them (67-54) in the Clark Tournament. They won 2 out of the 3 games in the tourney and plan to do well in the district championships held March 4, in Westboro.

Coach LaDuke believes that team work was this groups's key attribute. The team's success was not only brought on by each man's unselfish play but by each man's dedication to the team as a whole, which was evident from the very beginning. With such outstanding sophomore players as Mike Power and Kevin Collins the team has great expectations for the future.

We, Seniors, would like to sincerely thank Mr. Vail for his special attention to our class and all its activities. It is always nice to know that someone is pulling for us and looking out for our best interests. Thank you, Mr. Vail!

Finally, to Mrs. Brillon . . . She picked us up as Fresmen when no one else was willing and has stuck by our class ever since. She's been a loyal and hardworking advisor and we would have been lost without her. We'll never forget you, Mrs. Brillon!

It's really been great sharing my year in the USA with all of you at Westboro High. From the first day of school, you helped me understanding the famous AFS motto "When in Rome, do as the Romans do"(. . . remember the togas? . . .)

During my stay here, I've learned a lot of new things(. . . like shooting an arrow or baking muffins . . . no cinnamon, please!) Now my English ain't that bad, was it?(. . . see Mr. Kimball, you've done a good job!) At last I can say more than "Watsa matta you?" I can say thank you and even spell it right!

Ciao a tutti —

Sara Longoni
Italy

Westboro was a spot on the map only the year before. Now for me, it's the unforgettable place of my AFS experience.

Spending a year abroad was just a dream at first, which has become a reality because of AFS. The first days of school were very confusing to me. At the beginning, I felt rather lost.

I have found the Quest experience a great thing to try because I would never have had the opportunity in my country.

I have learned more about myself, more about others and more about New England. When I first got here, people had to order the ice cream for me. Now, I can order any flavor faster than anybody else at Bergeson! (Advertisement not paid!!!)

I want to thank everybody who has shared my experience and made it possible.

J'espere de tout coeur revivre une experience comme celle-ci!

Going to McDonald's® is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats.

You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we say...

You deserve a break today®

Special thanks to our extra-special advisor who put up with our good and mostly bad moods, and kept us in line(?) at all times. He literally "climbed the mountain" with us.

Patrons

This page has been set aside to show our appreciation to all the parents and teachers who donated their hard earned money so willingly to this yearbook. Without their support we could not have expressed our memories in such a special way. It is our hope that everytime this page is opened these parents and teachers will be remembered for helping us in our journey upward.

Thank you
With Love & Appreciation,

Ginny Trapp
